

Labyrinth Workshop

Workshop Leaders – Bob and Sue Whorton
September 2019
Les Jardins des Arts, 7 Rue des Anciennes Ecoles, Hanc, 79110 Valdelaume, France
£210 (£150 for those who are unwaged)

A labyrinth is a pathway which you follow to the centre and then back out again. It is a small 'pilgrimage' in which you can reflect on your journey through life. On March 30th a group of local people will gather here in Hanc to create a labyrinth together in our orchard. The many stones already present in our grounds will be used to create the pathway. This may or may not be the day after Brexit – but we will walk the newly created labyrinth for peace and reconciliation.

The workshop in September will provide an opportunity to walk the orchard labyrinth, exploring its various metaphors, as well as to make our own temporary labyrinth in the grounds. There will also be an opportunity to become aware of our own walking 'habits' and to try out some new ones.

Bob and Sue have moved to France in order to bring their vocations as Methodist Minister and classical singer together and to offer reflective space to those who wish to join them.

Accommodation will be at Les Jardins des Arts or at a gite nearby. All meals are provided. We have a swimming-pool which may still be warm enough to bathe in. All towels are provided.
