

# LOVE IS LISTENING

A Guided Journey for Your Church to Listen, Learn, and Love

## L – Listen to the Local

What existing ministries (however small) do you notice that embody God's love?

---

How is your church already sharing welcome, justice, or hope?

---

---

---

## O – Observe

### the Overlooked

What issues or groups are seldom spoken of in your context?

---

What threshold might someone be struggling to cross?

---

---

---

## V – Value the Voice of the Spirit

What ideas, dreams, or nudges have persisted in your prayers?

---

What would you love to try and why?

---

---

---

## E – Explore the emerging

What connections are forming between people or ideas?

---

Where is the energy or heart ache in this conversation?

---

---

---

Loving God, you shape us through Your creative love—in worship, in learning and caring, in service and in evangelism.

May our faith be bold, and may love guide us  
in our Way of Life, bringing healing,  
hope and transformation  
all for Your glory. Amen.
