St Andrews Healthcare Chaplaincy Team are seeking a new Team Member to assist our patients with complex mental health needs.

St Andrew's is a Charity: our vision is a society in which everyone living with mental health need is heard, valued and has hope for their future.

Faith and Spirituality play a large role in our patients' confidence and understanding. Our team of Chaplains and Volunteers support their recovery and wellbeing. We are keen to develop a diverse team to meet the varied cultural and faith needs of our patients.

We are looking to appoint someone who has experience of Chaplaincy; is educated to graduate level (or equivalent); is a trusted representative of their faith/belief community.

The Job Description / Person Specification is available from Peter Sellick, Head of Chaplaincy at St Andrews: pjsellick@stah.org 07790 891524. Contact him if you would like an informal conversation about this role.
