**As Friends, Exploring And Sharing Together in the mission of God, let us pray for the Spirit's guidance in shaping this GIFTED table into a New Place for New People. Amen.**

Thank you so much for hosting a GIFTED Table.

These pages are here to help you notice **what**, and nurture **where** God's spirit is already at work among you and your community.

You don't need to write an essay; just **jot down a few words or phrases**.

Focus on what **stood out, shimmered, or stirred hearts** during your time together.

This is not about measuring success or numbers — it's about **listening for grace**.

You can fill it in quietly on your own afterwards, or **chat it through with your helpers or co-host**.

Our prayer is that, over time, these pages will be a **FEAST** of stories and sons, showing us where the Spirit is leading us to cultivate New Places for New People that will grow in circuits, and across the Northampton District, from tables like these.

Each GIFTED Table plants a seed of love, and leaves traces of God's grace behind.
